

Cessna Citation CJ4 Gen2

Jet OUT flies the Cessna Citation CJ4 Gen2. It's the ultimate light jet designed for business leaders and leisure travelers that demand performance and efficiency.

The Citation CJ4 Gen2 combines a comfortable, state-of-the-art cabin with generous range, speed, and payload and includes a variety of features normally reserved for large jets. Elegant finishes and amenities such as a refreshment center, private enclosed lavatory, CoolView skylights, swivel seating, wireless cabin management, and onboard wi-fi make your journey comfortable and enjoyable.

HOW MUCH LUGGAGE CAN I BRING?

The CJ4 offers more baggage room than any other light jet, and no fixed way to use it. No fees. No gate agent. No baggage claim. Your bags go from your car to the aircraft while you watch, and you're carrying them again three minutes after landing.

Here's how four passengers might pack for four very different trips. Flying with more? Your concierge team will plan around it.

A WEEKEND IN THE MOUNTAINS

2 ski bags. 4 boot bags. 3 roll-ons. 1 duffel.

THE GOLF FOURSOME

4 golf travel bags. 4 duffels. 1 garment bag.

A WEEK AT THE BEACH

3 large suitcases. 1 stroller. 1 cooler. 2 beach bags.

WINE COUNTRY GETAWAY

4 roll-ons. 2 garment bags. 2 empty cases for the trip home.

Each load above is a hypothetical trip. Your concierge team can help you plan your luggage accordingly.
